Why Sponsor?

For four decades, AMMV has stood as the voice for the 'unsung heroes' of our nation's maritime history. We invite you to join us as a partner for our 38th Annual National Convention. This landmark event serves as a unique bridge for our maritime community, bringing together WWII veterans, post-WWII veterans, active-duty mariners, and the next generation of maritime leaders. By sponsoring this year's convention, your organization does more than gain visibility; you pay tribute to the men and women who have served as our 'Fourth Arm of Defense,' ensuring that their sacrifices and the vital role of the Merchant Marine are never forgotten. We invite you to stand with us as we celebrate our heritage and continue our mission of advocacy and education.
